1st Symposium on Chemistry for Global Solidarity

Theme: *Chemistry for Better Future*

02 September 2016

The symposium on chemistry for global solidarity is going to be organized for the first time by the Department of Chemistry, Jagannath University. The objective of this symposium is to gather the scientists in chemistry and related fields of different universities, research institutes and chemical industries all over Bangladesh to share their recent research activities in building up a strong scientific community that can contribute to serve the people of our country as well as of the world by ensuring the concept of solidarity among the people through innovative ideas.

Venue:

Department of Chemistry, Jagannath University

Theme Lecture: Prof. Dr. Md. Muhibur Rahman,
Ex-Member, University Grants Commission of Bangladesh
