(v) Re-take: If a student fails to clear ‘F’ grade due to poor marks in ‘Continuous Assessment’ he/she may re-take the course(s) with the Semester where the course(s) being taught within the allowed sessions, i.e., within six sessions since admission. In such cases, the student shall have to apply to the Department for registration of such course(s) before the start of the class of the course(s) and the Academic Committee of the Department will consider for registration for the particular course(s) of the particular Semester(s). The Department shall send the prescribed form filled-in by such students to the Registrar Office. Such students shall have to pay Tk.1000/- (one) thousand per course and regular examination fees. If the course code changed due to change of syllabus the tabulators shall post the marks against the original course code of the student.

Answer scripts of the Re-take examinees should be sent to the examiners in a separate envelope along with separate marks sheet within the same packet and the Examiners, after evaluation, should submit the answer scripts and marks sheet separately as per rules. Upon receipt of the marks, the examination committee shall send the marks sheets to the chairman of the respective (original Semester of the course) examination committee(s). The chairman of the respective examination committee will take necessary measure to prepare the result of the Re-take examinee(s) through appointing Tabulators and submit to the office of the controller of examinations for publication. If the
Committee becomes non-existent in the meantime, the marks shall be sent to the Chairman of the Department who will arrange preparation and submit the result through appointing Tabulators. The Tabulation and Result Sheets should mention ‘re-take examination’ clearly. The Tabulators of re-take examination shall be eligible for honorarium as per University Rules.

Students fail to improve the ‘F’ grade(s) thereafter shall be considered as failed to earn the degree.

b) Improvement of Grades / Grade Point

i) Students earned less than Grade Point 3.00 (letter grade less than ‘B’) in any theoretical course up to 4th year 1st (7th) Semester may choose to improve the grade by appearing at the Semester-final examination with the next available batch.

ii) There shall be no such opportunity of improvement examination for the courses of 4th Year 2nd (8th) Semester.

iii) A student shall have the improvement opportunity once for each course.

(iv) No improvement shall be allowed in ‘practical’ and ‘viva voce’ courses (except F grade as stated in 16 a).

(v) No improvement shall be allowed in continuous assessment and except ‘F’ grade in practical courses. In such cases, earlier marks shall stand.

(vi) The regular Examination Committee shall make arrangement for improvement examination of the regular courses of a particular Semester with the students of that Semester. In case of students registered for improvement of courses not taught in that particular Semester due to syllabus change, the Examination Committee shall arrange setting questions as per university rules according to the syllabus applicable for the students registered for improvement. Examination of such courses should be held simultaneously with the regular students.

(vii) For improving the grade and appearing at the examination, a student shall have to pay fees two (2) times of the normal examination fee for each course.

(viii) Students willing to improve grade should apply within 10 (ten) working days after the announcement of the results of the Semester.

c) If the grade point obtained in improvement examination is lower than the earlier, the earlier one shall stand.

d) In the improvement-supplementary/re-take/such examination, a student shall be eligible to get highest ‘B+’ grade’ corresponding to GP 3.25 in a course even if he/she gets more than that. This rule shall be effective from the academic session 2016-17.

17. SUPPLEMENTARY EXAMINATION

a) After the 4th Year 2nd Semester (8th Semester) result, if a student fails to earn required total Credit Points due to ‘F’ grade in one or more courses throughout the programme (1st to 8th Semester), Supplementary Examination(s) shall be arranged and completed within two months of the publication of 4th Year 2nd Semester result for such students. Only the students
appeared but failed to improve ‘F’ grade(s) through Supplementary Examination may be
allowed to improve only ‘F’ grade(s) with the Supplementary Examination of the next
available batch but must be within the allowed academic sessions since admission. The degree
completion year of such students shall be the year of the present batch (Year of Examination).

b) To take part in the Supplementary Examination, a student is required to pay examination fees
four (4) times of the regular fees for each course and send an application to the Controller of
Examinations through the Chairman of the Department within 20 working days from the date
of publication of his/her 4th year 2nd Semester result.

c) Students taking Supplementary Examination may be allowed to take part in Masters Classes.
Such students, if fails to earn Bachelor degree through Supplementary Examination, shall not
be allowed to continue Masters programme.

d) The respective 4th year 2nd Semester Examination Committee shall work as ‘Supplementary
Examination Committee’ separately to conduct the examination and publish the result as per
University rules. The committee shall start and conclude the examination within the shortest
possible time. That is, examination of all courses with different students (whatever the
numbers are) should be taken on the same day.

e) Results of the students taking courses to fulfill the gap of required minimum total credit
earned for the degree and total earned credit up to 4th year 2nd (8th) Semester shall also be
compiled and published by the ‘Supplementary Examination Committee’. The courses studied
by such students should be considered as **complementary** and denoted with ‘Com’ along
with the regular course code of the particular batch(es). Such as a course with a course code
‘BSW 3204’ should be written as ‘BSW 3204Com’ in the tabulation and result sheet. The
name of examination for such student(s) shall be ‘Complementary Examination’.

Such students must register (no fee) for the course(s) through the department and duly fill up
the examination entry forms paying regular fees.

f) This rule shall be effective from the academic session 2011-12.

b) If it seems that it is not possible for a student to complete the programme within 6 academic
years (12 Semesters), s/he shall be dropped out from the programme.

c) In the Supplementary Examination, if a student even after appearing the examination, fails
to earn all necessary total Credit Points and if ‘F’ grade remains in any course (between 1st
to 8th Semester), s/he will be dropped-out from the programme and will no more be allowed
to continue her/his studentship with other students.

d) If a student fails to earn required total credit points within six academic years since
admission s/he will be dropped-out from the programme and will no more be allowed to
continue her/his studentship with other students unless any other clause allows for an
extension of his/her registration.
19. CREDIT TRANSFER
